

NEW BRAND TIE-UP

WHAT IS YOUR DOG ACTUALLY EATING?

Meet *Fresh For Paws*, our newest brand tie-up.

WHY IT EXISTS

PETS EAT BETTER THAN EVER. **ALMOST.**

Pet numbers grew from **28.4M to 39.2M** between 2020 and 2025, about 85% dogs. Yet roughly **9 in 10 bags sold are dry kibble.**

Fresh, natural, portioned meals are the gap.

THE BRAND

STARTED WITH A LAB NAMED VANILLA

In 2018, Srishti Bhatia, a **Certified Canine Nutritionist**, spent two years researching recipes for her own dog.

Ready-to-eat, 100% natural meals. No scooping, no defrosting, no artificial ingredients, grains or fillers.

WHY WE SAID YES

SHE MAKES THE FOOD. WE RUN THE MACHINE.

A real founder, a real recipe, a real gap in the market.
The hard part is everything behind the box.
